

# EXPERIENCE THE BENEFITS OF AN APRILAIRE HUMIDIFIER FOR YOUR HOME

In the winter, do you notice a lot of static shocks? Sometimes they can be painful! Maybe your wood floors shrink and separate a bit?

Dry nasal passages, itchy skin or sore throat? Do you have a constant feeling of being cold even when the heat is set relatively high?

**Most of these are symptoms of overly dry air.**

Metro Heating & Cooling offers affordable whole-home humidifiers that attach right to your existing furnace. The automatic control can read the outdoor temperature and use that to make decisions on how to control the humidity in your home.

## Other benefits of Aprilaire humidifiers ...

- According to medical experts, many viruses thrive in low humidity, increasing the likelihood of catching colds and the flu.
- Delivers the perfect amount of moisture to your air, making you feel warmer at lower thermostat settings. The EPA states that you can save up to 4% on your heating bill for every degree you lower your thermostat.
